## GDP Growth (Constant Prices, National Currency) Data for Year 2011, All Countries

30, Apr 2011, CEST. Welcome to the GDP Growth (Constant Prices, National Currency) section of EconomyWatch.com's Econ Stats database.

**Indicator:** GDP Growth (Constant Prices, National Currency) › [Change indicator](#)

**Year:** 2011 › [Change year](#)

**Date of Last Update:** 28 February 2011

**Data Source:** International Monetary Fund (IMF)

While looking at the values for GDP Growth (Constant Prices, National Currency) data, please note: Annual percentages of constant price GDP are year-on-year changes; the base year is country-specific.

### Economic Indicators : GDP Growth (Constant Prices, National Currency) 2011

**GDP Growth (Constant Prices, National Currency) for Advanced Economies** in year 2011 is 2.167 %.

**GDP Growth (Constant Prices, National Currency) for Afghanistan** in year 2011 is 6.841 %. See notes for: Gross domestic product, constant prices (National currency).

**GDP Growth (Constant Prices, National Currency) for Albania** in year 2011 is 3.2 %. See notes for: Gross domestic product, constant prices (National currency).

**GDP Growth (Constant Prices, National Currency) for Algeria** in year 2011 is 4.011 %. See notes for: Gross domestic product, constant prices (National currency).

**GDP Growth (Constant Prices, National Currency) for Angola** in year 2011 is 7.084 %. See notes for: Gross domestic product, constant prices (National currency).

**GDP Growth (Constant Prices, National Currency) for Antigua and Barbuda** in year 2011 is 3.074 %. See notes for: Gross domestic product, constant prices (National currency).

**GDP Growth (Constant Prices, National Currency) for Argentina** in year 2011 is 4.027 %. See notes for: Gross domestic product, constant prices (National currency).

**GDP Growth (Constant Prices, National Currency) for Armenia** in year 2011 is 4.6 %. See notes for: Gross domestic product, constant prices (National currency).

**GDP Growth (Constant Prices, National Currency) for ASEAN 5** in year 2011 is 5.424 %.

**GDP Growth (Constant Prices, National Currency) for Australia** in year 2011 is 3.466 %. See notes for: Gross domestic product, constant prices (National currency).

**GDP Growth (Constant Prices, National Currency) for Austria** in year 2011 is 1.639 %. See notes for: Gross domestic product, constant prices (National currency).

**GDP Growth (Constant Prices, National Currency) for Azerbaijan** in year 2011 is 1.764 %. See notes for: Gross domestic product, constant prices (National currency).

**GDP Growth (Constant Prices, National Currency) for Bahamas** in year 2011 is 1.5 %. See notes for: Gross domestic product, constant prices (National currency).

**GDP Growth (Constant Prices, National Currency) for Bahrain** in year 2011 is 4.5 %. See notes for: Gross domestic product, constant prices (National currency).

**GDP Growth (Constant Prices, National Currency) for Bangladesh** in year 2011 is 6.257 %. See notes for: Gross domestic product, constant prices (National currency).

**GDP Growth (Constant Prices, National Currency) for Barbados** in year 2011 is 3 %. See notes for: Gross domestic product, constant prices (National currency).

**GDP Growth (Constant Prices, National Currency) for Belarus** in year 2011 is 6.224 %. See notes for: Gross domestic product, constant prices (National currency).

### Economic Indicator Listing in Year 2011

GDP Growth (Constant Prices, National Currency)	Value
Qatar	18.584 %
Iraq	11.481 %
Turkmenistan	11.466 %
Ghana	9.947 %
Haiti	9.8 %
