Maybe. I am not even sure what they want. **2.1%** (6,016 votes)

No. They have no idea how jobs are created or how a free-enterprise system works. **36.92%** (105,642 votes)

Yes. These folks are right about corporate greed and what's happening to the little guy. **60.3%** (172,518 votes)
