1200+ arrests is what happens when people are TRULY outraged! How many arrests occurred during the phony?

outraged Tea Party protests?

It's funny that conservatives say these people have no unified message... yeah that's what happens when a TRUE GRASS ROOTS movement starts. Not one in which Fox News informed, planned and directed it's fans to carry out.

The Tea Party protests are f-f-f-FAKE.

The Tea Party is a JOKE and it's finally being exposed as a fraud it always was.

Thank you for pointing out that the tea party protests were civilized and law abiding.

Why doesn't the "Occupy" movement include black Americans? It is more lily white than the tea party rallies.
