

Form 4564	Department of the Treasury Internal Revenue Service Information Document Request	Request # 2
To: (Name of Taxpayer and Company, Division or Branch) Leadership Institute 1101 N. Highland St. Arlington, VA 22201		Subject: Follow-up Submitted to: Morton Blackwell, President & John Miles, POA Dates of Previous Requests:

Description of Documents Requested: information requested is for the tax period ending 12-31-2008.

Please provide the following items for the year to be covered by the examination. The year under examination is the tax year ended December 31, 2008.

- As discussed previously, we are reviewing *American Campaign Academy v. Commissioner*, 92 T.C. 1053 (1989) in regards to your organization. Please provide a written statement describing what distinguishes your organization from American Campaign Academy.
- Copies of newspapers, newsletters, brochures, magazines, pamphlets and other literature produced by your organization.
- Copies of applications for internships and summer programs; to include: lists of those selected for internships and students in 2008.
 - In regards to such internships, please provide information regarding where the interns physically worked and how the placement was arranged.
 - After completing internships and courses, where were the students and interns employed?
- Information regarding your organization's job placement program.
 - How is the program facilitated?
 - How are job opportunities provided to your organization and applicants on your organization's job placement website?
 - Samples of correspondence between employers and your organization regarding positions available and to be posted on your job placement website.
- Describe your organization's method of solicitation of funds.
 - How did your organization perfect its solicitation list?
 - Were any donor lists provided or purchased from other organizations, entities, or individuals?
 - If not, how were your donor/solicitation lists composed?
- Information regarding training programs conducted in 2008.
 - Copies of training materials utilized in 2008 to include syllabi and/or curriculum.
 - How are training sessions/programs advertised?
 - How are students solicited?
 - Are there students in the programs that are not of the conservative viewpoint? If so, please provide documentation of such.
- Information regarding instructors of your organization's training programs.
 - Are the instructors employees of your organization? If not, are instructions contracted from exterior sources?
 - How are instructors solicited?
 - What are the instructors' backgrounds?
- Information regarding grants or payments to other entities as provided in Attachment 1.
 - Provide the correspondence between your organization and entities receiving grants/payments in 2008.
