Speaker.gov/JOBS

As part of our [American solutions plan](#), the House of Representatives has passed dozens of pro-growth jobs bills to build a stronger economy and a better future for hardworking families. Unfortunately, too many of these common sense solutions are being blocked by Democratic-controlled Senate. Here, you can learn more about what we're fighting for, read the bills for yourself, and even see how your representative voted.

43 jobs bills

#StuckInTheSenate

Preserving Work Requirements for Welfare Programs Act | H.R. 890 | Rep. Dave Camp (R-MI)
