2016 Obamacare Premium Increase Tracker

[Research](#)

Across the country, Americans are facing substantially higher costs under the Affordable Care Act.

In most states, health insurance premiums on the individual marketplace are rising by *double digits* under Obamacare. 17 states will face average premium increases of 20 percent or more. Iowans, for instance, will see their premiums spike by 22 percent this year. In Minnesota, Alaska, Tennessee, and Hawaii, rates will rise by 30 percent or more.

Want to know where your state ranks? Type a state into the search bar to view the average rate hike and the range of premium changes individuals purchasing insurance on the individual market will face. You can also sort or export the data.
