# Market Update

#### 4:15 pm:

The stock market ended the Wednesday affair on a broadly higher note, extending its recent rebound alongside European bourses. Equity markets continued their uptrend as investors maintained their risk-on posture, bidding oversold currencies, commodities, and the heavilyweighted financial (+2.3%), health care (+1.9%), and industrial (+1.7%) sectors. The Nasdaq Composite (+1.9%) finished ahead of the S&P 500 (+1.7%) and the Dow Jones Industrial Average (+1.6%).

Global equity markets tilted to the upside overnight as European bourses continued to recover from their ...More
