

How Hillary's State Dept. Gave Special Attention to 'Friends of Bill' After Haiti Quake

Oct. 12, 2016

ABC News Video Transcript:

Transcript for How Hillary's State Dept. Gave Special Attention to 'Friends of Bill' After Haiti Quake

More allegations this morning that the Clinton foundation and the State Department nor too closely aligned emails indicate that Bill Clinton's friends. That's special attention after the massive 2010 earthquake in Haiti. Certain people offering assistance for applying for government contracts were flagged as FOB which stood for friends of bill. The Clintons have said repeatedly that the State Department never gave favorable treatment to foundation donors.
