 POST A COMMENT (/BIG-GOVERNMENT/2014/07/28/OBAMA-CELEBRATES-MUSLIM-CONTRIBUTIONS-TO-THE-USA#COMMENTS)

On Sunday, President Obama and First Lady Michelle released a [statement \(http://www.whitehouse.gov/the-press-office/2014/07/27/statement-president-occasion-eid-al-fitr\)](http://www.whitehouse.gov/the-press-office/2014/07/27/statement-president-occasion-eid-al-fitr) thanking Muslim Americans for their many “achievements and contributions... to building the very fabric of our nation and strengthening the core of our democracy.”

The comments were made to mark the celebration of [Eid-al-Fitr \(http://www.islamicity.com/ramadan/eid_default.shtml\)](http://www.islamicity.com/ramadan/eid_default.shtml), a time of spiritual renewal for Muslims which comes at the end of the month-long fast of Ramadan. The Obamas said in their statement that Eid “celebrates the common values that unite us in our humanity” and “welcomed their commitment to giving back to their communities.” The International Business Times reports (<http://www.ibtimes.com/eid-mubarak-2014-when-eid-al-fitr-end-ramadan-year-photos-1640730>) that during Eid, Muslims join in Islamic prayer, while saying “Allahu Akbar,” or “God is Great,” and feasting.

The statement further reads that the administration “wishes Muslims in the United States and around the world a blessed and joyous celebration.” The letter ended with salutation of “Eid Mubarak,” which roughly means “blessed celebration.”

Some of the muslim "contributions" are:

1. 9-11.
 2. Benghazi.
 3. The Boston Marathon.
 4. Nidal Hasan.
 5. Muhammad & Malvo.
 6. Daniel Pearl.
 7. Lee Rigby (I know he was British).
- Feel free to add a few of your own muslim "contributions" to the US.

From Ynetnews:

Islamic terrorism targeted US ships between 1776 and the beginning of the 19th century. In fact, John Quincy Adams, the 6th president of the USA, researched the causes of anti-Western Islamic terrorism, concluding that its core cause was endemic hostility toward the "infidel."

During the 20th century, the US became a chief-target for Muslim Brotherhood hate-education... more <http://www.ynetnews.com/articl...>

Well, that and all of the technology and science they got from the Byzantines and the Ptolemaic Greeks in Egypt. It became Muslim when they were forced to become Muslims or have their heads cut off.
