A Constitutional law professor (even their students) should know better. The truth is Obama was not a Constitutional law professor: *“under no circumstances would an offer to Obama be tenured.” “The thought that the law school could have made a tenure offer to a person with no academic writing was out of the question.”* Former University of Chicago Law School Dean Richard Epstein.

Clearly Obama has not respected or protected the Constitution. Obama has broken his oath to preserve, protect, and defend the Constitution of the United States. Article II, Section 1.

Note: Executive Orders/Actions by the president were not designed for, nor do they give a president the authority to use as, a means to override or alter legislation or any other Constitutional violation. Executive Orders cannot defy Congressional intent.

I went to law school and have worked for law offices and in the legal/criminal justice field for 30 years and I can verify most all of what is stated. I have a paralegal A.A.S. degree, a B.A. in criminal justice, a B.A. in political science, M.S. in criminal justice and criminal investigation and a year and a half in law school with decades of study of federal statutes and Supreme Court cases. The writer knows what they are talking about.

I have tried to trace your findings and could not do so. For example, you stated “ ■ Ignoring Federal law requiring that each state be notified when/where refugees are being placed in their state. Article II Section 3” What I found “The Refugee Act of 1980 created The Federal Refugee Resettlement Program to provide for the effective resettlement of refugees and to assist them to achieve economic self-sufficiency as quickly as possible after arrival in the United States. iii) local voluntary agency activities should be conducted in close cooperation and advance consultation with State and local governments. (2)(A) The Director and the Federal agency administering subsection (b)(1), shall consult regularly (not less often than quarterly) with State and local governments and private nonprofit voluntary agencies concerning the sponsorship process and the intended distribution of refugees among the States and localities before their placement in those States and localities.” .” Please provide proof where this did not happen.

No, we/they are not. Race was and usually is never part of a situation until someone plays the race card. I'm not saying I disagree with what was laid out here but people who make everything about race are garbage and should be treated as such. If people were to actually ask for punishment or impeachment it would have nothing to do with his race. If you live on this argument, then you are limiting every future president to being a white male. As any other race of president would be under the same scrutiny and suspicion purely due to the color of his/her skin.

**Linda Templet** says:

January 24, 2016 at 10:01 pm

You are absolutely right Anonymous; race is not the issue at all. This Issue is that our Constitution is the Supreme Law of the LAND—not the Supreme Law of the people.

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority Of the United States, shall BE the Supreme LAW of the Land, and the Judges in EVERY State, shall be bound thereby, any THING in the Constitution OR LAWS OF ANY STATE—to THE CONTRARY NOTWITHSTANDING.

We have an ILLEGAL President. His eligibility IS CONTRARY TO THIS CONSTITUTION. Women at the time of the Adoption of THIS Constitution were NOT Citizens or Members of this Political Organization—Political Union—Political Body called the United States. Therefore, one can not use the citizenship of the MOTHER in order to become eligible to run for the Office of the President.

Women became Citizens or Members of this Political Organization AFTER the Adoption of THIS Constitution.

THIS IS IMPORTANT!! We have a BUNCH of ineligible people in this presidential race of 2016 that do not pass the Citizen at the time of the Adoption of THIS Constitution TEST. Hillary Clinton—Bernie Sanders—Ted Cruz—Carley Fiorina—and Marcio Rubio— are NOT BLACK PEOPLE. These people are not eligible because the MEN are using their MOTHERS Citizenship in order to qualify and WOMEN WERE NOT MEMBERS or Citizens of the United States at the time of the Adoption of THIS Constitution. They became Citizens of the United States AFTER the Adoption.

Obama also used his MOTHERS Citizenship to qualify—This have nothing to do with him being half BLACK and half WHITE. His FATHER—his GRAND father— his Great grand father and his great-great grandfather were all born in Africa and they ALL LIVED IN AFRICAN. None of these men were Members or Citizens of the United States Political Organization. This man DID NOT QUALIFY to be in the Office of the President. This is completely CONTRARY TO THIS CONSTITUTION!

It is TIME for us to stand up people. We MUST open the EYES of the Blind people. IGNORANCE is destroying our country and this SUPREME LAW of the LAND.

It has been touched but not explored, the issue of treason is clearly explained and Thomas Jefferson has clearly outlined what we are to do,,,200 years ago. Why are there so many spineless politicians?,,,since they could not make a living doing anything else what would they do? They could not contemplate being out of a job, so they stick with the status quo. I'm afraid we are screwed as I'm old now and cant run fast,, but can I can still shoot straight! +1 The article assumes readers would have the knowledge to get each violation's meaning and the law it's in violation of. Short paragraphs elaborating on each violation would be very helpful to those of us who are interested in knowing more about it but have no academic study under our belts... better if the explanatory paragraphs are as accessible as possible so that anyone, at any level would be able to understand as clearly as possible, maybe a video with audio commentary would serve the purpose even better since many aren't inclined to read long articles (think TLDR "Too Long Didn't Read") which would make an effort to explain further, as I suggested, something of little impact, while people would be more amenable to watch/listen what would need to be written using lengthy paragraphs. Thanks for the info posted and thanks in advance for the added clarifications.

The US Constitution gives NO Authority for an Executive Order, only Executive Actions, which Constitutionally MUST be Backed By CURRENT US LAWS, Period

Basis in United States Constitution[edit]

There is no constitutional provision nor statute that explicitly permits executive orders. The term executive power Article II, Section 1, Clause 1 of the Constitution, refers to the title of President as the executive. He is instructed therein by the declaration "take Care that the Laws be faithfully executed" made in Article II, Section 3, Clause 5 or face impeachment. Most executive orders use these Constitutional reasonings as the authorization allowing for their issuance to be justified as part of the President's sworn duties,[2] the intent being to help direct officers of the U.S. Executive carry out their delegated duties as well as the normal operations of the federal government: the consequence of failing to comply possibly being the removal from office.[3]

An executive order of the president must find support in the Constitution, either in a clause granting the president specific power, or by a delegation of power by Congress to the president.[4]

What is the current status of;

The Immigration & Nationality Act ~ Public Law 414, Chapter 2, Section 212, which prohibits US entry if Alien seeks to overthrow the US Govt.

In reading about it, this Act was passed to enforce that Sharia Law is patently Anti-Constitutional, with it's purpose being to "overthrow" the US Constitution and therefore the US Government.

This Act recognized the nature and intent of Sharia as illegal in the US.

Has this Act been overridden somehow, or like so much else, obscured by the Obama posse?

Here is a little understanding as to what Power means. Now look at these French Phrases that I am quoting under the Free Dictionary Online. Article !! Section 1 " The EXECUTIVE POWER shall be vested in the President of the United States of America". Now the United States of America is a Corporation just like any other business. Every single corporation has someone that is the Executive of their business. Every Large Corporation has a President, and a Vice President. Now the executive Power shall be vested in the President of this Corporation called the "United States of America".

Now Obama was given the Executive Power and the AUTHORITY over One thing in this Constitution under Article II Section 2. " The President SHALL BE the Commander IN CHIEF of the Army and the Navy of the United States, and of the Militia of the several States, WHEN CALLED INTO ACTUAL SERVICE of the United States. Now the Militia has to call for this man to send more troops because the State can not control the situation. He is the One person that the States turns to who is the Commander IN CHIEF of this Corporation or Business NAMED the United States of America.. He can't call more troops into actual service unless the States call him first.

This man put his hand ON THE BIBLE and swore that HE WOULD- FAITHFULLY EXECUTE- the OFFICE of the President. EXECUTEING the Presidents OFFICE of any Corporation means OFFICE work-To complete; to make; to sign; to perform; to do; to carry out according to its terms; to fulfill the command or purpose of. To perform all necessary FORMALITIES, as to make and sign a contract, or sign and deliver a note.

The President of any BUSINESS has a lot of OFFICE DUTIES to preform.

People are so mixed up and confused. This MAN was elected to BE the PRESIDENT of an OFFICE. He was sworn in to faithfully execute the OFFICE-OF THE -PRESIDENT. He is to take care of OFFICE subjects and matters.

Before anything can get straightened out in this country one must realize that the "United States of America" is the NAME of a BUSINESS with so many different sorts, kinds, or types of OFFICES within this ONE Corporation that has many BRANCHES.

This man-Barack OBAMA was not given ANY DIRECT POWER or AUTHORITY over our country or the people unless there is an emergency. His EXECUTIVE POWERS can then come into motion according to what THIS Constitution allows him to do.

[Follow](#)

The Constitution IS his BOSS of this OFFICE that he is President of. The Constitution is HIS LAW BOOK that HE has to strictly abide by what this Constitution tells HIM to do.

Everything that this man does while he is the elected President of this OFFICE within this Corporation SHOULD to the BEST OF HIS ABILITY, PRESERVE, PROTECT, and DEFEND THIS Constitution.

The MOST important JOB or DUTY of the Presidency is stated in this OATH—the Presidents is hired to the best of HIS ability PRESERVE this Constitution—PROTECT this Constitution—and DEFEND this Constitution.

This man thinks he is COMMANDER IN CHIEF of the country and the people. He, along with so many other OFFICE WORKERS in this Corporation, is NOT preserving, protecting, OR DEFENDING this Constitution. He is trying to COMPLETELY DESTROY THIS CONSTITUTION.

It is time for the people to see that the United States of America is a BUSINESS and Barack Obama—who is NOT a NATURAL BORN CITIZEN OF the United States— is nothing but a President of AN OFFICE ONLY.

Let us RIGHTLY Divide what we are reading.

Everyday I learn more by thinking and studying. I am so upset that the legality of this President has not been challenged. As it stands today anyone born in the United States, if the mother is an American, would be eligible to become out next President of the United States. People this is a lie and is completely unconstitutional.

Where are the Constitutional Scholars? I have no college education but I have a lot of common sense.

I know how to figure this out; and our forefathers KNEW that the day would come when someone other than a natural BORN American Citizen would try to take control of this government that they set up to protect all the future generations of Americans.

They protected this from happening in this very first REQUIREMENT in order to be eligible to enter into the Office of the President or Vice President.

According to THIS Constitution Ted Cruz, Marco Rubio, Hillary Clinton, Sarah Palin, Carley Fiorina and BARACK OBAMA are and were NOT eligible to run for the Office of the President or Vice President.

Now this is quite simple. Our Constitution states this—No PERSON—EXCEPT a natural born Citizen, or a Citizen of the United States—AT THE TIME OF THE ADOPTION OF THIS CONSTITUTION—shall be eligible TO THE OFFICE of the President.

At the time of the Adoption of THIS Constitution WOMEN were not Citizens of the United States. They were citizens our country but they were not Citizens or MEMBERS of our POLITICAL ORGANIZATION until they became eligible TO VOTE. At the time of the Adoption of this Constitution MEN were the Leaders of country—MEN fought and died in the WARS—MEN made the Laws— MEN who made this government—and it was only the MEN in this country who were called POLITICAL Citizens. Women were also called citizens (with a little “c”). They had rights and privileges living in this country but they could not become a Citizen of the United States because this was an ALL MEN MEMBERSHIP POLITICAL ORGANIZATION at the time of the Adoption of THIS Constitution. You don't believe that? Just take time out and read it for yourselves. Every office mentions “HE”.

Now this is the first question that I had to ask myself that totally eliminates all WOMEN from being eligible to run for the Office of the President or Vice President.

Now I know that the Laws have been changed—but the new laws did not change the eligibility REQUIREMENTS to become the next President or Vice President of this POLITICAL ORGANIZATION called, “The United States”. The States are POLITICALLY governed by this central government on certain ISSUES.

These Presidential and Vice Presidential requirements have nothing to do with the PEOPLES PERSONAL Equal rights or Equal privileges—it has to do with guarding and protecting our Country called, “The United States of AMERICA”.

Here is the FIRST QUESTION— Were there any WOMEN MEMBERS of this POLITICAL Organization at the time of the Adoption of this Constitution while it was being created, formed, or made?

Did women help make the Laws of this land at the time of the Adoption of THIS Constitution?

Did women make any LEGALLY BINDING POLITICAL decisions at the time of the Adoption of THIS Constitution?

Did Women go to any of the MEETINGS? Were any women on any of the Special Committees? Did women help fight in our War of Independence?

Is a the word “SHE” even mention in THIS CONSTITUTION one time? The answer to all of these questions is NO! Women were NOT part of this ALL MENS POLITICAL MEMBERSHIP ORGANIZATION at the time of the Adoption of this Constitution.

Now I ask you—Hillary Clinton and Carley Fiorina is trying to become eligible to become the next President of this United States of America. Do they pass the eligibility requirement Test?

Absolutely NOT—NO PERSON EXCEPT a natural born Citizen or a Citizen of the United States AT THE TIME OF THE ADOPTION OF THIS CONSTITUTION shall be eligible TO THE OFFICE OF THE PRESIDENT. Women were not MEMBERS of this POLITICAL Community or Organization at the TIME of the Adoption of THIS Constitution. We would have to have a CONSTITUTIONAL CONVENTION to change THIS eligibility requirement TEST.

Now we have 3 MEN to look at to see whether or not THEY pass the eligibility requirement TEST of our Constitution. Guess what? They do not pass the TEST.

If you all need me to show you why just let me know. We have an ILLEGAL President sitting in the Office of the President—we don't need another one. These men are citizens of the United States but they are NOT and could never be Citizens or MEMBERS OF OUR ALL AMERICAN FEDERAL POLITICAL ORGANIZATION or COMMUNITY.

Everyone you have mentioned was born in the us (supposedly) That is the definition of a natural born citizen. I see nothing in the constitution that states the president must be of any gender. Your argument is Lacking Validity. Respectfully.

Linda Templet says:

Mike Shelton do you not understand what these words AT THE TIME OF THE ADOPTION OF THIS CONSTITUTION means? Those words are setting up a Hereditary right to this Office of the President that is to be passed down to the next generation of full blooded American Citizens. Women WERE NOT CITIZENS at the time of the Adoption Of this Constitution. Women did not become Citizens of the United States POLITICAL ORGANIZATION until AFTER the Adoption of this Constitution.

Marcio Rubio is running for the Office of the President. He was born I America in 1971. His PARENTS BOTH HAD CUBAN CITIZENSHIP at the time of his birth. This man was BORN A CUBAN CITIZEN because his parents were Cuban Citizens. Now you tell me—Does this man have a right to become our next President of the United states.

His parents became NATURALIZED CITIZENS by a piece of paper 4 year after Marcio Rubio was born! Gender isn't mentioned in this Constitution because it did not have to mention Gender. THERE WERE NO WOMEN IN GOVERNMENT—only MEN. Read the Constitution Mike—gender is mention there. Every single Representative's Office Mentions and HE SHALL—The President is referred to as HE SHALL—go read it—there is not ONE SHE in any of the OFFICIAL DOCUMENTS before a woman became eligible TO VOTE! I am so sick of INGORANCE RULING our Country. No wonder our country is in such a MESS! Go read the Constitution and see all the HE'S then come back and tell me that there is no gender mentioned!

Wow, that's an amazing list Mr. Constitution. Now, why not make an even LONGER one outlining how the Republican-dominated congress has humped the law? Top of the list – refusing to do their job, blatantly, by not confirming a justice for SCOTUS. Oh, wait, I realize like every other conservative you'll likely just warp the truth – never mind, I'm sure you're

The point to all this is Obama brags about his knowledge of the constitution yet he has a blatant disregard for it and his actions should not be justified by what anyone else is doing or not doing.

Bull. Obama continues to aid our enemies,

Break our laws he swore to uphold, etc.. Republicans are not cry babies just hard working people, who want to continue living in a free society.

President Obama is guilty of treasonous acts, and he knows it.

Too bad 'anonymous' has not the guts to identify properly. Must be another dumb ass like Mikkelson from Snopes – who cannot stand anyone telling the truth about the Liberal treachery in our country today. Liberalism (capital L) as it exists today has NEVER benefited society as a whole. Our youth is being brainwashed into believing the mathematically incompetent Bernie is qualified to be the CEO of America, that Obama is somehow a savior, and that the treacherous snake, Hillary, could possibly be good for freedom.

Our political establishment (both sides of the aisle) have all of us who pay the bills FENCING WITH THE SWORD OF MISGUIDED EMOTION! It is time the “not-47%” wake up and get involved to replace the criminal politicians who cater to the 47% who contribute nothing to our society.

BTW, has everyone noticed how 'Anonymous' attempts to discredit other writers by questioning minutia? This is the old trick used by the Communists and other adherents to Karl Marx to throw the discussion off track. Be wary of people using this technique – they are trying to pull something over on you.

I see anonymous BS. I will clarify for all doubting Thomas's. If you want to be sure how badly our rights have been eroded, then read the laws for yourself. They are all posted for everyone to read. Instead of taking a “selfie” or posting your latest meal, do yourself a favor before ” Your children wake up homeless On the continent theirFathers conquered”

What we really have is a Global governing system being set up but we don't realize it yet. Michelle O. just proudly stated to college graduates that the President is the SON OF A KENYAN! Oh how right she is! She is trying to make her point. This man is a son of a Kenyan. If a Kenyan can become President of the American peoples government every other FOREIGNER can become President of the America Peoples Government also. American BORN FOREIGNERS are taking over our country and our American form of government. These American BORN FOREIGNERS are sitting in the highest seats of our government claiming to be natural born citizens of the United States. They are changing our American CULTURE, our American HERITAGE, our American Traditions, and our American VIRTUES and VALUES.

They are changing our form of Government right before our eyes. TRUMP sees it and he knows what these people are doing. You are so right Sandra--this is about a ONE WORLD ORDER and the Obama Administration is Leading the Way!

We no longer have AMERICAN VOTERS according to all the news media. We are now classified into groups depending on a persons Nationality. We have AFRICAN/American voters--LATIN/American Voters--AFRICAN/American Voters--ASIAN/American Voters. Why are we not all EQUAL? Why is the News Media and our Representatives DIVIDING the American voters into different groups?

By God I AM AN AMERICAN--a full blooded AMERICAN--I was BORN an AMERICAN because both my parents were born in America and the BOTH lived in the SAME country that they were BORN in--AMERICA. They were BOTH United States Citizens and I inherited my NATIONAL Citizenship from my full blooded American Parents. I AM an American and so was my ancestors going back 4 generations!

Obama is NOT an American! He is just what his own wife said he is--HE IS THE SON OF A KENYAN! That means he is not a NATURAL --BORN AMERICAN; he's an AFRICAN/AMERICAN!

A DUAL CITIZEN who only THINKS he is an American because he was born in America.

Transgender men THINK they are women--but are they really women? Not no but HELL NO!

It's a fact he did this, and so did a bunch of other presidents both Republican and Democrat Alike. The Executive order has often been misused to enact law as a Dictator. Most people in this Country are so caught up in Facebook or don't have enough of an education to figure out that their rights are being taken away. We are slowly having our rights eroded by "Progressive" Immigration policies that bring "Refugees" from Communist, or Dictator ruled countries, Who then in turn become citizens and after they get everything given to them for free vote in more of the same people. If you ask a Refugee from Syri

if the feel Free in The United States they will say Yes! What better way to water down Freedom than bring people in from the Most extreme political environments in the world. Having roots in this country for over 100 years I can say we have lost our true freedom that the constitution intended. I have seen our rights whittled away with each presidency. The Patriot act and all the other "Law" that has followed has turned the Constituution into the confetti you see at the ticker tape parades of our Dictators. If you don't believe take the time to read the Bills and Acts that are posted on the Whitehouse & Senate Websites. They aren't hiding anything. We are now free to do as were told!

How can Clinton (who was not a horrible President as far as his job was concerned) get impeached for screwing his secretary, which has nothing to do with his job; and Obama who has blatantly abused the position he's been given, break the law, and crapped all over the Constitution in full view of the public, continue to do so without even a slap on the wrist?! It's like the government is trying to destroy our country.
