Welcome to the Navy's Finest 5-Star Aircraft Carrier

USS Dwight D. Eisenhower (CVN 69) provides a wide range of flexible mission capabilities, to include maritime security operations, expeditionary power projection, forward naval presence, crisis response, sea control, deterrence, counter-terrorism, information operations, security cooperation and counter-proliferation.

The ship's embarked air wing is capable of projecting tactical air power over the sea and inland, as well as providing sea-based air, surface and subsurface defense capabilities.

"We know that our purpose is a just and moral one, for we seek only peace with freedom and we can succeed in this great endeavor only if each and every one of us is willing to give the full measure of courage, sacrifice, work and vision, not in a divided effort but working together in pursuit of our common goal."
– Dwight David Eisenhower
