Government Debt Chart

Spending Chart Budget Chart Debt Chart

chart wizard download data download tab-delimited view data customize chart

small thin medium large 600 400 custom full screen

Use the controls below to CUSTOMIZE chart or CHANGE the data series

Hover mouse over dropdown controls for help. Remember, you can display a maximum of five data series at once.

back to chart | back to top | down to data series

percent GDP Gross Public Debt > United States state, local
default linear bar stack medium color FY 13 Fed Budget
FY 2008 Data Range FY 2017

Table with columns: Category (max 5), Sub-category, Fed, Gov. Xfer, State, Local, Total. Includes 'Gross Public Deb' and 'All Categories'.

If you'd like to create your own custom chart of spending data you should use the table above to make your selections.

- Select the year range: Select the start year and the end year you want by selecting the years you want in the two year dropdown boxes.
Select spending items: Just select the spending item you want from the dropdown control. Then click a radio button to select the level of government: federal, state, or local.
Select units: You can select the display in billions of nominal (i.e. inflated) dollars, billions of real (i.e. year 2005) dollars, or as percent of GDP.
Choose chart features: You can select the size of the chart, switch from bar chart to line chart, select color or black and white, stacked or not.

Download Data

Federal Revenue by State for 2012

On March 26, 2013, we updated usgovernmentspending.com with the numbers from "SOI Tax Stats - Gross Collections, by Type of Tax and State, Fiscal Year - IRS Data Book Table 5" of the IRS Data Book for 2012. The data can be viewed on the Federal Revenue by State page here.

Budget News

Obama budget delayed until April
Sources say April 8, 2013.

2014 budget to be released in mid-March

"We understand that the President intends to submit the top-level budget to the Congress in mid-March, with the delivery of all justification material later in the month," according to Defense Dept. Deputy Controller John Roth.

What Is Driving Growth in Government
