Natural Gas Trucks - has the time come? By STEVE
AUSTIN, 2014/01/02

50 Like 998 8+1

2014 is the year of Compressed Natural Gas (CNG) for the truck industry. Today we explore what prompted this revolution, both above and under the ground.

Crude Oil and the Syrian Conflict By STEVE
AUSTIN, 2013/11/12

The story begins with Qatar. Qatar has spent billions of dollars supporting the rebel factions in Syria and wants to build an underground natural gas pipeline from the country's North Field through Syria.

Shale: High depletion rates in Bakken

By STEVE AUSTIN, 2013/09/04

Bakken's initial promise of American Energy Independence raises skepticism as reality hits with high depletion rates.

Oil Price and Egypt

By STEVE AUSTIN, 2013/08/05

The recent oil price surge past \$100 is a stark reminder that Egypt, like Iran, controls strategic routes in the international oil trade.
