

Why is Homeland Security stockpiling big supplies of guns and ammo?

- Obama is preparing to declare martial law (44%, 2,012 Votes)
- Homeland Security is arming itself to crush any patriots who might start a Second Revolution (31%, 1,409 Votes)
- I don't know, but I fear a government that would arm itself against its own citizens (12%, 529 Votes)
- The White House is planning to arm its "civilian national security force" (11%, 488 Votes)
- The government obviously wants to prevent private citizens from having ammo (1%, 63 Votes)
- Given the amount of guns and ammo American citizens are buying, it has become an arms race (less than 1%, 27 Votes)
- Other (less than 1%, 26 Votes)
- Since when has the federal government been right about any of its actions? (less than 1%, 13 Votes)
- I don't know, but it's not some big "conspiracy" to get worked up over (less than 1%, 5 Votes)
- It wants to make sure it has enough if the economy tanks even more (less than 1%, 3 Votes)
- Obama is just further "stimulating" the only industry that has grown on his watch (less than 1%, 2 Votes)
- It's being prudent, and I applaud this action (less than 1%, 2 Votes)
- It's just expected preparation to protect our nation and its borders (less than 1%, 1 Votes)
