Dossier on Hillary Clinton from DNC

This's time to keep my word and here're the docs I promised you.

It's not a report in one file, it's a big folder of docs devoted to Hillary Clinton that I found on the DNC server.

The DNC collected all info about the attacks on Hillary Clinton and prepared the ways of her defense, memos, etc., including the most sensitive issues like email hacks.

As an example here're some files:
