## Six Flags Magic Mountain Remains Temporarily Closed

### The Park Remains Committed to the Health and Safety of Park Guests and Team Members

Six Flags Magic Mountain is temporarily closed. Following local and regional COVID-19 health directives, we will open as soon as it is safe to do so. While there have been no reported cases of COVID-19 at the properties, the safety of our guests, team members, and animals is always our highest priority. We will continue to closely monitor this evolving situation, and follow the most current guidance from federal, state, and local officials.

Hurricane Harbor LA will remain closed for the 2020 season. More information is available on the [Six Flags Hurricane Harbor LA site](#).
